**ORDER:**

Developing affordable Housing for the ordinary citizens and urban poor and earmarking developed land/built up area is one of the important reform agenda items under JNNURM. Government of India have issued guidelines for Implementation of Rajiv Awas Yojana (RAY) programme. Government have formulated the State Policy on Slum Free Andhra Pradesh by 2014 vide reference 3<sup>rd</sup> read above under Rajiv Awas Yojana (RAY). Under Rajiv Awas Yojana, the objectionable slums are to be rehabilitated and in unobjectionable slums in-situ improvement or redevelopment schemes have to be taken up. Under the said scheme, the State Government and Urban Local body have to provide 50% contribution as their share for infrastructure component. In order to meet the above objective, and keeping in view the present financial status of Urban local bodies, they have to mobilize additional financial resources which are required for redevelopment/improvement/rehabilitation of slums which will ultimately benefit Economically Weaker Sections (EWS) and Low Income Groups (LIG) categories.

2. Government have amended the Revised Common Building Rules, vide Government orders 4<sup>th</sup> read above, making a provision that the developer shall provide at least 20% of developed land for Economically Weaker Sections (EWS) and Low Income Groups (LIG) housing.

3. After issue of the above orders, implementing authorities have sought clarifications on implementation of the provisions of G.O. 4<sup>th</sup>

**::2::**

read above and certain organizations have also represented to the Government on the difficulties in complying with the provisions of the said orders.

4. Keeping in view the above representations, Government have deputed the team of officers belonging to Greater Hyderabad Municipal Corporation, Hyderabad Metropolitan Development Authority and Directorate of Town and Country Planning to visit other States of the country i.e Tamilnadu, Rajasthan, Chattisgarh, Gujarat and Madhya Pradesh to study the Acts, Rules and procedures being followed in those States with regard to provisions of Economically Weaker Sections (EWS) and Low Income Groups (LIG) housing in housing projects vide reference 5<sup>th</sup> read above. The study teams have visited selected cities in the above states and submitted their report vide reference 6<sup>th</sup> read above.

5. Further, the Government has constituted a committee consisting of Commissioner, Greater Hyderabad Municipal Corporation, Hyderabad, Metropolitan Commissioner, Hyderabad Metropolitan Development Authority, Hyderabad, Director of Town & Country Planning and Special Secretary, MA&UD Department to study the above report and to come out with clear recommendations keeping in view the provisions in other States and RAY guidelines and after making necessary consultations with the representatives of Builders and Developer Associations. The Committee has submitted report vide reference 8<sup>th</sup> read above.

6. The Commissioner, Greater Hyderabad Municipal Corporation, Hyderabad vide 9<sup>th</sup> read above has brought to the notice of the Government that after the issuance of G.O. 4<sup>th</sup> read above, there were very few proposals received from the developers in Municipal Corporation area for the plots measuring 4000sq.mts and above. There is a drastic fall in the number of proposals received which requires immediate attention as this is also resulting in loss of revenue to GHMC.

7. In the meanwhile, by adopting the amendment provisions of G.O. 4<sup>th</sup> read above, Government have issued Andhra Pradesh Building Rules, 2012 to the entire State superceding the earlier orders including the G.O.4<sup>th</sup> read above.

8. In the light of the above circumstances and after careful examination of the matter, after studying the similar provisions in other States, as per the recommendations of the Officers Committee and keeping in view the Rajiv Awas Yojana (RAY) and Jawaharlal Nehru National Urban Renewal Mission guidelines, Government have decided for taking up suitable amendments to the Andhra Pradesh Building Rules, 2012, so as to provide affordable housing stock of EWS/LIG housing, to mobilize additional financial resources for redevelopment/ improvement/ rehabilitation of slums under RAY and to facilitate all types of housing activity across the state.

9. The following notification will be published in the Andhra Pradesh Gazette.
